**ORDER GRANTING RELIEF FROM STAY TO CONTINUE OR PURSUE
ACTION IN FAMILY COURT**

THIS MATTER is before the Court on the request of creditor Douglas Whittle and with consent of debtor for an order granting relief from the 11 U.S.C. § 362(a) automatic stay to permit adjudication of the following matters in family court:

Divorce, Child Support, Equitable Distribution of Marital property & Debts

IT IS therefore,

ORDERED that relief from the automatic stay is granted. Both parties to the family court action may litigate the matters set forth above. However, additional relief from stay is necessary for the enforcement of a marital obligation against property of the bankruptcy estate or to hold the debtor in civil contempt. Notwithstanding any determination by the family court, property of the estate and the impact of any family court order on the debtor's bankruptcy may be subject to further order of this Court.

AND IT IS SO ORDERED.
